LEBENDIGER SEE 2011

PLAUER SEE

Living Lakes - GNF

Objectives:

- Forums & workshops for knowledge exchange and transfer of experiences
- Mutual support
- Development and implementation of tangible model projects in lake areas (blooming lakes, Action Days, Environmental Education Network get grEEN).

Living Lakes - GNF

UN- Action Days

Living Lakes - GNF

Living Lakes - GNF

GEO-days of biodiversity

Living Lakes - GNF

East Africa

Next Steps (to be discussed):

- Define Vision and Mission
- Terms of Reference of Membership
- Discuss and decide on facilitation of the network
- Identify model projects and fields of cooperation
